TUMKUR DIVISION.

Notification dated 5th May 1920.

A sum of Rs. 214-3-0 is outstanding since 1916 in the books of this office as due to late G. B. Seshachar, Contractor and Jodidar, for works done in connection with the restoration of Navladakoppa jodi tank, Koratagere Sub-Taluk. If the same is not claimed by the legal heirs of the deceased with the heirship certificate on or before the 30th June 1920, the amount will be credited to Government.

C. VIJAYARANGAM NAIDU,
Executive Engineer.

KRISHNARAJASAGARA WORKS.

Notice is hereby given that sealed tenders will be received by the undersigned up to 5 P. M. on 20th June 1920 for the supply of the undermentioned articles, required for the use of the North and South Banks of the Krishnarajasagara Works from 1st July 1920 to 30th June 1921.

2. The quantity required approximately is 600 tons to each bank.

3. Tenders should be submitted on the printed forms which may be obtained from the undersigned's office and accompanied by a list showing the rate at which the different varieties of steam coal will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 500 in currency notes, as earnest money, and be subscribed "Tender for the supply of steam coal to Krishnarajasagara Works" and in default of which, tender will be rejected. The earnest money of the unsuccessful tenderers will be refunded.

5. The final acceptance of any tender will rest with the Chief Engineer, Cauvery Valley Irrigation, who does not bind himself to accept the lowest or any tender or assign any reason whatever, for the rejection of any tender.

6. The name of the successful competitor, whose tender has been accepted, will be posted in the notice board in the undersigned's office and intimated to him in the usual course. No enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tendered for the item shall include costs of delivery free on rails at French Rocks or Belagola Railway Stations of Mysore Railways.

8. Orders will be placed with the successful tenderer as the articles are required and the supply of the order in full must be completed within three weeks from the date on which such an order is placed, failing which, the unexecuted portion of the order will be cancelled, and orders placed elsewhere and the earnest money deposited by the successful competitor forfeited as a penalty for the non-execution of the order in full.

9. The kind of coal should be specified in quoting rates.

10. The coal should contain no dust and other non-cumbustible material.
